### 3 EEE data

Obligated EEE placed on the market in the last calendar year prior to the date of this registration (weight in tonnes to the nearest 3 decimal points i.e. 1.123 = 1 tonne 123kg). Although direct sales into other EU member states should not be reported here, you should keep records of these sales. Packaging should be excluded from this weight. The weight should reflect the weight of the item at time of disposal.

## 4 Fee calculations

### Agency Fee

Is your business required to be registered under the Value Added Tax Act 1994?  
(If no, you will need to provide documentary evidence)

Yes

No

If your business is registered for VAT, what was the turnover of the company (in the UK) in the last financial year

Less than or equal to £1 million

Greater than £1 million

### Comply Direct Membership Fee

Based on last audited accounts

**Annual UK Company Turnover**

---

**Annual UK EEE Turnover**

---

**B2C obligation tonnage**

---

If you have a B2C obligation, please also confirm your tonnages for the three month period prior to the date of this registration – this is to calculate your Household (B2C) storage, treatment, collection and recycling costs for the next quarter.

(EEE turnover only required if your company has a B2B obligation and has own arrangements in place for collection, treatment and recycling of WEEE from business end user premises)

If a B2B obligated producer, please indicate whether your company has its own arrangements in place for the collection, treatment, recovery and recycling of WEEE at end of life from business end users of their obligated EEE products.

**Arrangements in place for own collection, treatment, recovery and recycling**

**Requires Comply Direct to undertake collection, treatment, recovery and recycling**
